

# Hermitage Park Weekly

Headteacher update from Faye Calder-Kelly

Week beginning— 21st September 2021

## OUR SCHOOL LENDING LIBRARY RETURNS

Next week we will re-open our school lending library. Classes have been allocated a day each week in which pupils will be able to visit and change their book. **We would ask all parents/carers to support us with reminding your child to return their book on time and taking care to look after the books at home.** We are really lucky to have such a fantastic library resource and want to ensure we keep the books in great condition for everyone to enjoy! Class library days will be -

**Monday—P1a, P1b, P3a, P3b, P4a, P4b, P6**

**Thursday—P1/2, P2, P5a, P5b, P6/7, P7**

## MATHS WEEK SCOTLAND

Next week, all classes will be taking part in Maths Week Scotland. They will be taking part in Sumdog challenges and learning about how Maths can be used in the 'real world'. If you work in a job which uses maths and would be happy to talk to a class about your job please contact Mrs Duff through the school office.

## WELCOMING PARENTS

As well as having lots of new P1 families joining the school we also have families that join throughout the year into other classes. As we are not able to currently offer the usual opportunities to get to know the Hermie community (such as coffee morning etc) we are hoping to recruit some friendly parents who are willing to act as 'new parent welcoming buddies' to any new families. This would just involve the sharing of contact information and being a key contact if they have any questions. Please contact the school office if you feel this is a role you could undertake.

## HERMIE STARS OF THE WEEK

Last week, Izzy and Finn in P1, Lewis in P1/2, Romeo in P2, Eilish in P3A and the whole of P3B, Brodie and Alfie in P4, Yasmine and Sarah in P5, Jay in P6, Brandyn in P6/7 and Amy in P7 were all presented with a Star of the Week certificate for being successful learners, confident individuals, responsible citizens and effective contributors. What Hermie Stars!

## PARENTS CONSULTATIONS

Please ensure you read the letter regarding Parents Consultations (by phone) on the 6th and 8th October and sign up using the link provided.
