

Primary 4/5 Hermie Home Learning Term 1 2022-2023

- Please try and read with your child as often as possible and remember to bring their library book to school every day.
- Please try and complete a task from each grid every week.
- Remember – frequent, short and fun works best!
- Home Learning Jotters should be returned into school on a WEDNESDAY each week.
- Remember we love to hear about 'other learning' and achievements that has taken place at home.

READING HOME LEARNING TASKS

<p>Read a non-fiction book, article or magazine.</p> <p>Write 5 facts from the text read.</p>	<p>Create a mind map that shows what you have learnt from reading your book.</p>	<p>Find 5-10 interesting words in the book.</p> <p>Use each one in a sentence of your own.</p>
<p>Set a timer.</p> <p>How many pages did you read in 20 minutes?</p> <p>Tell someone what has happened in the story.</p>	<p>Draw a comic strip which shows the main events from one or more chapters.</p>	<p>Which character in your book are you most like? Why?</p> <p>Which character are you least like? Explain why.</p>
<p>Make up a wordsearch or a crossword for your book.</p>	<p>Write a different ending for your book or choose a chapter which you would like to rewrite.</p>	<p>Illustrate your favourite part of your book.</p> <p>Include as much detail as possible using descriptions from the text.</p>

SPELLING HOME LEARNING TASKS

<p style="text-align: center;">1. ABC Order</p>  <p>Write all of your spelling words in alphabetical (ABC) order.</p>	<p style="text-align: center;">2. Word Parts</p> <p>Write your words. Then use a coloured pencil to divide the words into syllables. e.g. jumping caterpillar</p>	<p style="text-align: center;">3. Other Handed</p> <p>Write each word 5 times, switching the hand you write it with each time. Say the word as you spell it.</p>
<p style="text-align: center;">4. Vowel Spotlight</p> <p>Write your words using one colour for the vowels and another colour for the consonants. (vowels: a, e, i, o, u)</p> <hr/>	<p style="text-align: center;">5. Use Technology</p> <p>Type out your spelling words on the computer. Try to use at least 4 different fonts.</p>	<p style="text-align: center;">6. Pyramid Words</p> <p style="text-align: center;">s sp spe spel spell spelli spelling spelling</p> <p>(or make them boat shaped, star, smiley face, etc.)</p>
<p style="text-align: center;">7. "Ransom" Words</p> <p>"Write" your words by cutting letters out of a newspaper or magazine and gluing the letters on a piece of paper to spell your words.</p>	<p style="text-align: center;">8. Rainbow Words</p> <p>Write your spelling words with coloured pencils. Make each letter a different colour.</p> 	<p style="text-align: center;">9. Scrambled Words</p> <p>Write your words. Then write them again with the letters mixed up. Can you unscramble them again the next day? e.g. watch - cwhta</p>

NUMERACY AND MATHEMATICS HOME LEARNING TASKS

<p>Practise counting forwards and backwards in 2s, 3s, 4s, 5s and 10s. Practise counting forwards and backwards in 6s, 7s, 8s and 11s.</p>	<p>Go to Daily 10 - Mental Maths Challenge - Topmarks to practise your numeracy skills and increase your speed.</p>	<p>Make a list of some 3D objects you can find around your home. Sketch a picture and label with the name of the shape and their properties such as faces, edges and vertices.</p>
<p>Log onto Sumdog and practise your numeracy and maths' skills. Your password details are in your homework jotter.</p>	<p>Go to 5-a-day – Corbettmaths Primary Choose a level which suits your skills. Go on, challenge yourself!</p>	<p>Use card, Lego or junk materials to construct some 3D models. Photograph or draw the models you have built.</p>
<p>Investigate how many numbers between 0 and 100 have the digit 3. List all the numbers and say whether the digit 3 is a tens digit or a units digit (include the number 33 that has both). How many numbers do you think would have a different digit such as 7?</p>	<p>Write the last three digits of a phone number (your own or a friend's). The three digits must be different. Work out and write the six different 3-digit numbers that can be made with the digits. Then for each number, partition the digits and give their values, e.g. 249 = 2 hundreds, 4 tens and 9 units = 200 + 40 + 9.</p>	<p>Using a ruler, draw the nets for the following 3D objects –</p> <ol style="list-style-type: none"> 1. Cube 2. Cuboid 3. Triangular Pyramid 4. Triangular Prism
