

Primary 5/6 Hermie Home Learning Term 3 2023-2024

- Please try and read with your child as often as possible and remember to bring their library book to school every day.
- Please try and complete a task from each grid every week.
- Remember – frequent, short and fun works best!
- Home Learning Jotters should be returned into school on a WEDNESDAY each week.
- Remember we love to hear about 'other learning' and achievements that has taken place at home.

READING HOME LEARNING TASKS

<p>Find a Non-Fiction book and design your own information poster. Make sure you include pictures and lots of facts!</p>	<p>Instead of using numbers for each chapter in the book you have read, give each chapter a new name.</p>	<p>Think of three questions you would like to ask one of the characters. Write their answers as if you were that character.</p>
<p>Make a comic strip of your favourite part from your book.</p>	<p>Write a plan for an alternative ending to the book you have just finished. You can use bullet points or short notes to present your ideas.</p>	<p>Choose a page you have read and write down the different punctuation the author uses. Now try and use the same punctuation in sentences of your own.</p>
<p>Open your book to any page and list all the adjectives (describing words) that the author uses. Now put six of them into sentences of your own in your jotter.</p>	<p>Write down the story's main characters and the words the author uses to describe them. Select your favourite character and write three sentences about why you like them.</p>	<p>In words, describe the setting of the book you are reading using at least 10 lines. Draw a picture to show it.</p>

SPELLING HOME LEARNING TASKS

Use all your words to tell a short story. Use a ruler to underline each spelling word. You can add endings.	Make a wordsearch using your spelling words. Include words written diagonally and backwards. Use capital letters.	Type out your spelling words on a computer or other device. Try out different colours and fonts for each word.
Write your spelling words in alphabetical order but backwards.	Write a list of words which rhyme with each of your spelling words.	Write an acrostic poem using one of your spelling words.
Draw a picture and hide your spelling words in the picture.	Write each of your words using dots. Join the dots with coloured pencil to make each word.	Using a variety of colours, fill an A4 page with as many of your spelling words as you can fit in. Try to leave as little white space as you can.

NUMERACY AND MATHEMATICS HOME LEARNING TASKS

<u>Hermie Counts</u> Times Tables - Spend at least 15 minutes a day practising your times tables: https://www.topmarks.co.uk/maths-games/hit-the-button https://www.timestables.co.uk/	Go on a symmetry hunt around your house and make a list of all the objects you find that have at least one line of symmetry. Make a note of how many lines of symmetry each object has. You could also draw or photograph each one.
---	--

Log onto Sumdog and practise your numeracy and maths' skills. Your password details are in your homework jotter and on your Learning Journal.

Go to [Daily 10 - Mental Maths Challenge - Topmarks](#) to practise your division skills and increase your speed.

Draw a space themed picture which includes symmetrical shapes and designs.

Create some space-themed word problems.

Work out the distance of each planet from the sun in miles, kilometres and metres.

Write out a missing number multiplication. Give yourself a timed competition with someone in your household. How long does it take to write the completed times' table?

You are planning a meal for your family (starter, main course, dessert, drink). You have a budget of £20. Look at an online supermarket, write down how much each item would cost and work out how much you would spend per person.
